

# Bejeweled Bandana

Designed by Maytina Shank

This delightful project is knit flat, from the bottom up, so you can knit until it's as large as you'd like - keep knitting and it becomes a shawl! The optional tassel adds an extra touch of pizzazz that takes this bandana to the next level of cuteness! Use a combination of DK and sock yarn or opt for just DK or sock yarn alone. Also check out the matching hair ribbon pattern in the same yarns to complete the perfect coordinated look for you and your pup!

*Sample knit with Paintbox Metallic DK in Sangria and  
Stitch Noir sock in Sandy Claws (held double)*

This knitted dog bandana is worked flat in one piece, starting from the bottom point. Increases are made on both sides to shape the bandana. At the top, short rows are utilized to add length. An i-cord is then added for convenient tying, and an optional tassel can be attached at the point for added flair.
